**BARBARELLO HARPENDEN PROJECT HERTFORDSHIRE | ATLAS AWNING | Awning System**

The gorgeous Atlas Awning.

We have written off an incredibly challenging and unique project with this Atlas Awning for the 'Barbarello', a commercial establishment in Harpenden. Our design team has worked on customising this awning to harmoniously match the company's branding and banner to create a high class look for the entrance area of their estate. This completely manually operated awning provides excellent sheltering from the sun and the rain.
