Awning Luxury Orion Plus Luxe Cassette Awnings

GOSS Outdoor have completed yet another gorgeous residential awning project for a valued customer! Our customers decided to pick the contemporary, show stopping Orion Plus Luxe awning model that has everything you need - from gorgeous sun coverage in the day time, to integrated lighting for the night.

Some comments that our clients made were about how our awning provided them with the perfect amount of shade and coverage for the patio they had just built for their garden, a bespoke system tailored best for them. They also described how the integrated lighting feature of their awning was just fantastic and are really looking forward to using their system more as the weather gets better.
