EINSTEIN BIER HAUS PROJECT, LIVERPOOL | Orion Plus Cassette Awning & Inclined Rhea Pergola
Gorgeous commercial project.

Einstein's already lively atmosphere has just got a whole lot livelier! With our shading systems Einstein has created the perfect beer garden/outdoor area that is available to enjoy all year round. With an awning to boost character out front and a pergola with lighting in the beer garden, there are so many different atmosphere's Einstein can create.

As well as our shading systems too, we had also installed some GOSS Outdoor Infrared heaters to create a soothing warm area customers can enjoy with their friends and family. You can start investing into your business and creating experiences to remember for your customers, with us at GOSS Outdoor now!

Do the best for your business.
