LEIGHTON BUZZARD PROJECT BEDFORDSHIRE | HEMERA AWNING | Awning System

A true classic.

A wonderfully unique and practical Hemera awning was installed for one of our dear customers, Miss CJ, who resides in Leighton Buzzard. Miss CJ has requested a multicoloured fabric to further customise her awning project and create a sense of personality with her own touches for her ideal outdoor area. CJ household is thrilled to be enjoying their outdoor area further whether it is sunny or rainy, and are pleased with the end result.
