LONDON PROJECT GREATER LONDON | ORION PLUS LUXE CASSETTE AWNING | Awning System

A stunning Orion Plus Luxe System Project completed for another valued customer.

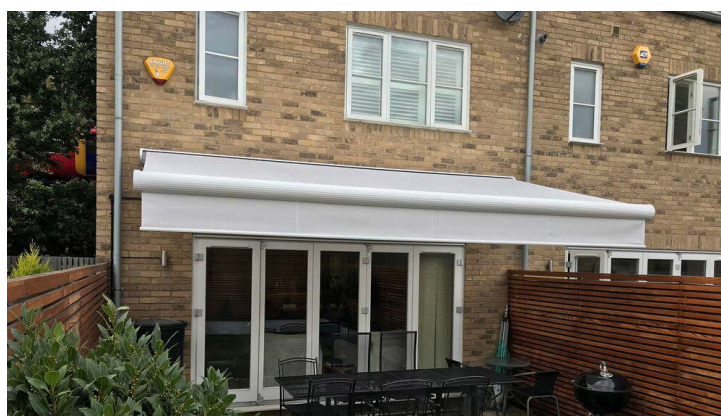

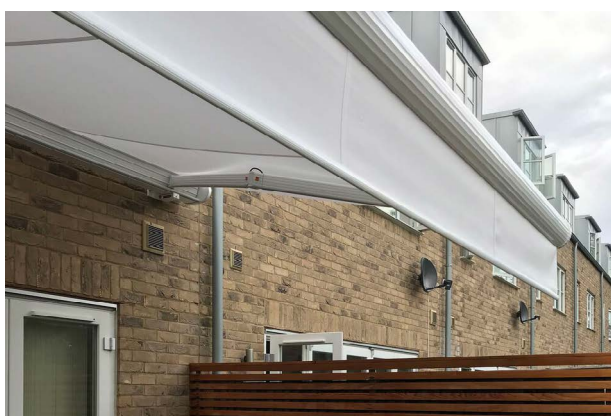

The beautifully illuminated effect is created with the aid of our Orion Plus Luxe Cassette Awning when the sun sets, perfect for those after-work evenings relaxing outdoors and enjoying the fresh air outside. This particular project was requested by our dear customer HR, and dreamed of a garden and patio which he can enjoy a nice hot drink in autumn or a cold one in the summer, enjoying his suburban London views.
