**MANCHESTER PROJECT GREATER MANCHESTER | CLASSIC ATLAS AWNING | Awning System**

"We actually love it. Never thought we ever needed an awning so much until we got one installed on our balcony."

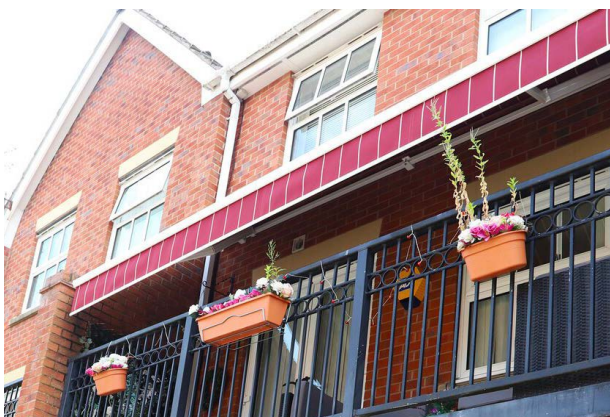

All the neighbours and family & friends who visit our home ask about it and want to get one for themselves. We have all sorts of gathering and mini outdoor hangouts and parties planned and hosted thanks to our awning. We also now use the balcony area more often than ever before no matter if its sunny, rainy or snowy outside. It has become our 'chill spot.'" Miss FA, the client of the Atlas Awning Project.
