RUNCORN PROJECT, CHESHIRE | Unifoliate Quercus Minima | Retractable Pergola

We have just completed a beautiful residential outdoor project in Runcorn. This gorgeous Unifoliate Retractable Pergola has been installed and has brought a modern yet soft look to our customers garden. This particular system is a free-standing retractable pergola structure, ideal to suit everyday budgets.

Our customers said that they have used their GOSS Outdoor system more than they could imagine. They added that they found that their system provided the perfect space for an outdoor office area as they work from home, the pergola provides shade for the laptop and the working space.

Why not take some inspiration and do the best for your garden!
