STOCKPORT PROJECT, GREATER MANCHESTER | Orion Plus Cassette Awning

The awnings get used for all sorts of design and practicality - terrace shade, conservatory aesthetics, expansion of space, smoking areas - limitless opportunities.

We have completed another awning project in Stockport / Greater Manchester area. The Orion Plus awning covered the whole outdoor seating area. The awning was chosen by the Sattler solution-dyed acrylic fabric elements collection. And the colour code is 315-352|120. The aluminium coating on the mainframe chosen as RAL 9016 Traffic White with Matte Surface Finish.

Our client said that he is looking forward to plan barbeque parties with his friends in the garden. He added that the atmosphere would be even better with the awning.
