WORSLEY PROJECT, GREATER MANCHESTER | Orion Plus Cassette Awning

On this beautiful project we have installed the masculine system the Pars Plus awning that ticks all the right boxes.

Our Orion Plus awning has created a cosy sheltered space that our clients can relax under and look out over their stunning scenery, installed with a fabulous 314 414 120 blue coloured fabric, it really creates a pop around the customers neutral coloured home.

This awning has created a cool, comfortable living space with a dash of luxury. Our contemporary outdoor shading systems are a great addition to a residential area such as this one or even a commercial area. Make your outdoor area yours, and add a bit of personality with one of our awnings choose from our gorgeous selection of satller fabrics and add any additional products such as heaters or sensors. Do the best for your garden!
