FARNHAM PROJECT HAMPSHIRE | SUBULATE QUERCUS MINIMA | Retractable Pergola

We have placed another successful installation of a pergola and canopy system under our belt, with the completion of our clients glamorous and brand new pergola Subulate Quercus Minima. The garden ended up looking stunning, with vine leaves attached to the top of the finished and freshly installed pergola system and her outdoor endeavours are all ready to be executed for the approaching autumn months.

Our client Ms KH's comments were as followed: "Very beautiful canopy, professional & friendly staff members and very pleased with our overall GOSS Outdoor experience. Mr Serkan is always friendly, helpful and courteous."
