URMSTON PROJECT GREATER MANCHESTER | SUBULATE QUERCUS MINIMA | Retractable Pergola

The photos which have been showcased with this case study belong to a gratified GOSS Outdoor customer who resides in Urmston, based in Greater Manchester. Mr DK has sought pergola installation services and contacted our team to visit the showroom in Old Trafford, Manchester. Once the team had met and agreed with Mr DK on which pergola will suit their home and agreed to go ahead, we were thrilled to be installing another project in our home turf!
